WORK EXPERIENCE

Staff Software Engineer C2FO

05/2022 - Present

Achievements/Tasks

- Co-hosted frontend chapter meetings, steering innovative discussions and strategies.
- Collaborated with Product Managers and UX designers to translate complex requirements into user-friendly frontend solutions.
- Enforced best practices and coding guidelines through code reviews.
- Prioritize web performance, optimizing for speed and seamless user experiences.

Engineering Manager C2FO

10/2020 - 05/2022

Achievements/Tasks

- Supervised the engineering team to maintain project quality and meet deadlines.
- Supported the professional growth of the team through mentorship and guidance.

Senior Software Engineer C2FO

01/2020 - 10/2020

Achievements/Tasks

- Stepped into a leadership role, informally serving as the tech lead on the team.
- Successfully orchestrated the migration of the Angular application to React.
- Provided mentorship to junior and mid-level engineers within the team and devoted time to conducting thorough PR reviews.

Senior Software Engineer Dineout (Times Internet)

11/2018 - 01/2020

Achievements/Tasks

- Led the development of Dineout's Desktop and Mobile PWAs.
- Successfully transitioned Dineout's web app from MarkoJS to NextJS. With a focus on performance, this move elevated our Lighthouse scores from the 60s to 90+.
- I was solely responsible for the Restaurant Listing page, Homepage for GIRF (Great Indian Restaurant Festival) and the User Stories Page.
- Actively reviewed PRs, ensuring code quality and adherence to best practices.

Software Consultant Polestar Solutions & Services India Pvt. Ltd.

11/2016 - 11/2018

Achievements/Tasks

- Led frontend development while also diving into backend intricacies with NodeJS.
- Actively collaborated on the design aspect, ensuring a seamless user experience.
- Beyond hands-on development, I championed the growth of fellow engineers, sharing expertise, and fostering a culture of collaborative learning.

Software Engineer Invansys Technologies

02/2015 - 10/2016

SKILLS

JavaScript Typescript Web Security
Web Performance React Next.js
Angular PWA TWA HTML
CSS Jest React Testing Library
Playwright Storybook Tailwind CSS
Vite Github Actions Node.js
NestJS GraphQL

OPEN SOURCE

Initiating my Open Source journey

- **Axios:** 1 PR merged for a TypeScript type fix and currently have an [open and approved PR](#) for improving response interceptor type definitions.
- **Bubblewrap (Google Chrome Labs):** Contributed a documentation improvement while deploying C2FO's web app to the Play Store using TWA.

EDUCATION

Bachelor of Technology Kurukshetra University

AWARDS & RECOGNITION

Winner of a CSS Challenge, hosted on CSSBattle.dev

React India Conference, GOA

Consistently recognized with MVP and High-five Quarterly Awards.
